Virtual Happy Hour Networking Event: Thursday March 18, 2021

"This is a virtual business and social networking happy hour event via live video to give business professionals, small business owners, lawyers, financial advisors, restaurant owners, entrepreneurs, and more the opportunity to connect with one another and exchange ideas while having fun. This event is perfect for anyone, from New York to San Francisco, all are welcome. Grab your favorite drink and connect with others during our happy hour on Thursday March 18, 2021 from 4:30pm to 5:30pm PST."

I went to this meet-up and introduced myself and gave my linkedIn address. I thought it was a tech meet-up but instead it was a meet-up for business people.

But earlier, I also went to a virtual conference on data science (Women in Data Science 2021 Stanford University) and introduced myself during the reception.

I also went to a virtual Springboard event and introduced myself to people using the 3 minute meet people.
